

BSACHE Guest Policy  
11/22/2013

BSACHE sponsored events are for BSACHE member families only unless otherwise stated.

An occasional friend(s), or extended family member(s) of a member family may attend a BSACHE event. It is requested that the member family exercise discretion in whom they invite and how often they invite guests.

A prospective family may attend up to two BSACHE sponsored functions with a member family as part of their decision-making process.

Any guests invited are the responsibility of the BSACHE member family, not BSACHE. (See Code of Conduct and General Release Statement.) Although BSACHE will not expect such guests to know and abide by the BSACHE Code of Conduct, any gross violation of the BSACHE Code of Conduct may require BSACHE event leaders to ask member families to intervene in their guests' behavior.

This guest policy applies to the occasional friend or family member who is invited by a member family to a BSACHE sponsored event who is not required to register in the event. If a guest is invited to provide a service to BSACHE, whether an individual or organization, then Article IX, Section 3, will apply.

Approved by BSACHE Board of Directors, November 22, 2013.
